

Dear customer

In recent months we have all faced the most challenging times in daily life and business. The way we now have to operate has meant we have to make some decisions concerning our menus, staffing levels and our procedures. It is with regret, that until we are able to operate at the level we used to, we have reduced our menu to a more manageable choice of dishes. Of course we hope to be able to add more of a selection when time allows. As ever, if you have any specific dietary requirements please let us know and we will do our best to meet them. We also kindly ask everyone to be respectful of our hygiene and social distancing measures during their visit. These are for your and everyone else's safety and comfort. Please stay seated unless you need to use the toilets or leave the premises. Hand sanitiser is available for everyone to use on arrival and before and after using the toilet. Service will be full table service and only one bill will be issued per table.

Both cash and card payments are accepted

We thank you for your understanding and cooperation and if you have any queries or concerns please ask a member of staff.

starters

- | | | | |
|------|--|-------|---|
